

Q: Is FEU Online Payment Secure?

Yes. Compared to other methods of online shopping, FEU online payment is completely safe. To understand why, note the details of payment flow which are shown below.

ONLINE PAYMENT FLOW

- A. You tell the FEU server the amount you wish to pay.
- B. The FEU server passes this information to the payment gateway thru BPI Secure Pay.
- C. You are redirected to the secure payment gateway to which you enter your card details. (see note)
- D. The payment gateway obtains approval for your transaction from your card issuer bank.
- E. The payment gateway notifies the FEU server of the successful transaction and your tuition payment is instantly posted.

Note: The FEU server never obtains your card information.
