

**Q: I already registered via the student portal. How can I access the FEU WiFi service?**

# Step 1

Connect to "feumnl"  
access point.

## Step 2

Public Access - Login Page - Windows Internet Explorer

http://wireless.colubris.com:6080/index.asp

Public Access - Login Page

FEU  
Wi Fi  
Manila

Username:

Password:

[Use the secure version of this form](#)

Open any browser and you will be redirected to a login page.

Done Internet | Protected Mode: Off 100%

# Step 3

Public Access - Login Page - Windows Internet Explorer

http://wireless.colubris.com:8080/index.asp

Public Access - Login Page

**FEU**  
**Wi Fi**  
**Manila**

Username:

Password:

Proceed

Enter/type your Student Portal account and click proceed to continue

[Use the secure version of this form](#)

Done

Internet | Protected Mode: Off

100%

## Step 4

A new window will appear indicating that you are successfully connected.

The screenshot shows a web browser window titled "Session Information" with the address bar displaying "http://wireless.colubris.com:8080". The main content area features the FEU WiFi Manila logo, which consists of a green speech bubble containing the text "FEU" in yellow, "WiFi" in white, and "Manila" in yellow below it. Below the logo, the following session details are displayed:

Username: **200503060**  
IP Address: **172.100.1.4**  
State: **Logged In**

A "Logout" button is located below the state information. At the bottom of the content area, there is a table with the following data:

Session	Idle
Time: <b>1 secs</b>	<b>1 secs</b>
Tx	Rx
Bytes: <b>0 bytes</b>	<b>0 bytes</b>

The browser's status bar at the bottom shows "Internet | Pri" with a lock icon, and a zoom level of "100%".

Do not close the window for you will be disconnected.

## Step 5

Welcome! You now have access to the network.

Terms of Use:

By accepting this agreement and accessing the wireless network, you acknowledge that you are part of the FEU Community, you have read and understood, and agree to be bound by this agreement.

- The wireless network service is provided by Far Eastern University. Your access to the network may be blocked, suspended, or terminated at any time for reasons that may be harmful to FEU, the service, and/or it's clientele.
- You agree not to use the wireless network for any purpose that is unlawful or otherwise prohibited and you are fully responsible for your use.
- The wireless network is provided "as is" without warranties of any kind, either expressed or implied.

This wireless network is maintained by FEU-ITS Application & Network Group

Click "Continue browsing"  
after reading the Terms of  
Use.

# Step 6

The screenshot shows the Far Eastern University website in a Windows Internet Explorer browser. The address bar shows <http://www.feu.edu.ph/>. The website header includes the FEU logo and the text "FAR EASTERN UNIVERSITY". There are input fields for "STUDENT NO." and "STUDENT PASSWORD:" with a "Sign in" button and a "Forgot Password?" link. A navigation menu includes links for HOME, ABOUT FEU, CAMPUS LIFE, ALUMNI, ATHLETICS, LIBRARY, CALENDAR, CONTACT US, and OTHER FEU SCHOOLS. A sidebar on the right has buttons for Prospective Students, Parents, Linkages, and Multimedia. The main content area features "NEWS & UPDATE" and "VIDEOS" sections. Overlaid on the page is a "Session Information" window from <http://wireless.colubris.com:8080/>. The window displays the FEU WiFi Manila logo and session details: Username: 200503060, IP Address: 172.100.1.4, and State: Logged In. A "Logout" button is visible in the window, with a red arrow pointing to it. Below the session info is a table showing session and idle times and data usage.

Session	Idle
Time: 3 mins	5 secs
Tx:	Rx:
Bytes: 52 Kb	179 Kb

Internet | Pr | 100%

Click "Logout" if you wish to end your Wi-Fi session.
